Knitting pattern by Amanda Berry

Yarn

Deramores Studio DK: 1 x 100g Frost
Deramores Studio DK: 1 x 100g Ebony
Deramores Studio DK: 1 x 100g Oatmeal

For the collar, you will need less than 1gm of Deramores Studio DK in Raspberry.

Needles

A pair of 3.75mm straight knitting needles (US 5)

You will also need

Toy filling
A darning or tapestry needle to sew the knitted pieces together
Two 12mm toy safety eyes
For the collar, a 10mm diameter red button

Notes

Finished size: The dog is 21cm tall.

Work flat: All pieces are knitted flat (back and forth) on a pair of straight knitting needles.

Tension: The tension is approximately 22 sts x 28 rows for a 10cm x 10cm square in stockinette stitch on 3.75mm needles. Don't worry too much about tension for this pattern.

Marking stitches: Marking stitches will help you when sewing together. Use a piece of waste yarn in a contrasting colour to the knitting, thread it through the stitch to be marked and tie in a loose knot so it can be easily removed later.

Casting on: Unless otherwise specified, use the long tail cast on for all pieces.

Pull through to cast off: Cut the yarn leaving at least a 30cm tail. Thread the tail onto a darning needle and sew through the remaining stitches on the knitting needle. Pull the stitches off the knitting needle on to the yarn, gather together tightly and secure the yarn.

Sewing seams: Use mattress stitch to sew the seams.

Skill level: Intermediate. Techniques used include stranded colour knitting, seaming, changing colours to knit stripes, increases and decreases.

MAKING UP

Body: Note that the cast off edge is the neckline and this is left open. Sew the side edges together, adding stuffing as you sew. This seam runs down the centre back of the body. Finish by gathering the cast on sts together at the base of the body.

Front Legs: Gather the cast on sts together at the sole of the foot. Sew the side edges together from the gathered cast on sts at the sole of the foot up to the stitch markers at row 31. This seam runs down the back of the leg. Stuff the legs leaving rows 31 to 43 and the cast off edge open. Remove the stitch markers. Sew the legs onto the body as follows: On the front of the body, count 5 rows down from the cast off edge (neck). The cast off edge of the leg (top edge) is sewn onto this row, and the two front legs are 3 body stitches apart at the top. Sew the open side edges and cast off edge onto the front of the body. Using black yarn embroider 3 claws on the front of the foot. Note that the body leans forward slightly to rest on the front paws.

Hind Legs: Sew the side edges together, stuffing as you sew. This seam runs down the underside of the leg. Gather the cast on sts together. Sew the cast on end of the leg onto the bottom side of the body. Using black yarn embroider 3 claws on the front of the foot.

Head: First sew the cast on edge of the snout to the cast off edge of the head. Sew the side edges of the white snout together, adding stuffing as you sew. This seam runs down the centre underside of the head. Insert the toy safety eyes. Then sew together the side edges of the beige head, stuffing as you sew. Gather the cast on sts together at the back of the head to finish.

Nose: Sew the nose onto the top of the snout, sewing around all the edges. Add some scraps of black yarn underneath the nose as you sew it in place to pad it out a little (if you use stuffing it may show through your knitting stitches, so using black yarn is neater).

Ears: Sew the side edges together. Sew the cast on edge onto the top of the head with the seamed edge at the bottom.

Join the head to the body: Sew the underside of the head onto the cast off edge (neckline) of the body.

Tail: Sew the side edges together leaving the cast on edge open. Add some stuffing to the tail. Sew the cast on end of the tail on the back of the body.

Patch: Sew the patch onto the back of the body above the tail.

Collar: Weave in yarn tails. Sew the button on the collar on the opposite end to the yarn over buttonhole. Fasten around the dog's neck.
